NEWS would like to extend a BIG thank you to Andre Mulder, our former talks Coordinator informed me that our signboard is in process and that he will sponsor and put it up for us when it is finished!
NEWS still wants YOU to post your pictures and interesting observations of wildlife and Namibia’s fantastic biodiversity. As well as interesting facts and environmental issues that interest you! There is lots of wildlife and interesting stuff out there - please share it! Visit our Facebook page at: https://facebook.com/pages/Namibian-Environment-Wildlife-Society-News/

ISAP
(Intelligence Support Against Poaching)

SECTION 21 Registered Company (Audited by PWC)

ISAP Namibia is a non profit organization that aims at creating awareness and support against poaching in Namibia. The ISAP app has been developed for the general Namibian public as well as specialized conservation and similarly focused organizations, to report on suspicious activities concerning poaching and other environmental issues - IN REAL TIME.

This Application is available to all - via Smartphone - on a Gratis basis. This enables the public to be the frontline in reporting poaching and environmental issues & abuse, to a central control room.
